APPROVED BY:

X _____

Date Approved _____

Proposed Homesite Improvements and/or Alterations:

All Rules and Regulations are set forth by Management/Ownership and are enforced equally within the community. The resident shall make no alterations to the exterior of the home or to the leased site without first obtaining the written permission of Management. Alterations and/or improvements include but are not limited to porches, decks, carports, storage buildings, awnings, cement pads, landscaping changes/additions, or other home additions. Management reserves the right to require additional plantings, staining, etc. in order to blend in with the current aesthetic of the neighborhood.

Please complete the following form and submit to Management, along with:

- a simple hand drawing or sketch of improvement
- reference material being used and each color samples
- provide contact informaon for the contractor engaged to complete the work
